

J/70 Swedish Championship 2022

26-28th of August 2022

Introduction

In 2022 the Nynäshamn Yacht Club, NHSS, will arrange the Swedish Championship for J70.

Last weekend in August you are welcome to our classic sailing waters outside Nynäshamn. Ever since the Stockholm summer Olympics in 1912, we have been arranging sail races in these waters. People from all over the world have been impressed by the diversity of possibilities this arena can offer. Racetracks in open waters, or more sheltered areas in bad weather. Hotels and accommodation in a beautiful setting and easy access for boat transports, together with easy lifting/launching.

You will be cruising in the Swedish archipelago off Nynäshamn, Sweden. We have race courses for every type of weather and wind, including sheltered alternatives for high wind speeds.
